RESPONSE TO NOTICE TO FILE MISSING PARTS OF APPLICATION

The notice to file missing parts of a Provisional application was mailed in this case on June 14, 2001. This Notice to File Missing Parts, however, is in error. In fact, a utility application not a provisional application was filed in this case. Therefore, the Notice to File Missing Parts should have assigned an utility serial number and requested missing parts for utility application.

Kindly assign a utility application serial number and issue a proper Notice of Missing Parts in this case.
